Yosemite Linen Supply

Yosemite Linen Supply was founded in 1945 as Dan Dee Diaper Service by William Wallace Masten. Born in 1921 in Fresno. Mr. Masten graduated

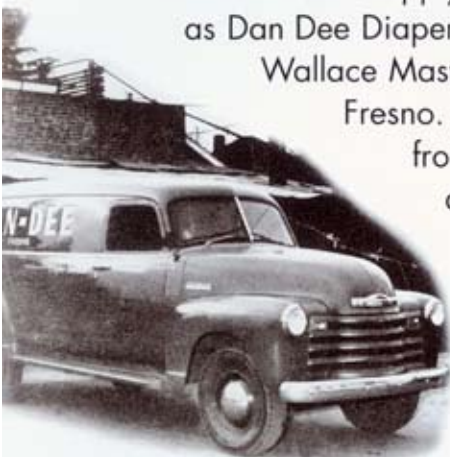

from Fresno High School and attended Fresno State before heading off to World War II as a fighter pilot.

Mr. Masten returned to his roots in Fresno to start Dan Dee Diaper,

the business grew to provide towel service to most of Fresno

& Clovis schools, then evolved into a complete linen supply service. In 1994 John Masten Mr. Masten's son, took over as President of the Company.

Yosemite Linen Supply is now one of Fresno's most environmentally friendly and technologically advanced linen suppliers....and still family owned.
